“You are great to work with, and we thank you. We announced the site today and haven’t heard a single bad thing... we have a big winner here!”

- Sean Plottner, *Dartmouth Alumni Magazine*

Dartmouth College, a prestigious Ivy-league school located in New Hampshire, is home to one of the country's longest running and well respected alumni publications - Dartmouth Alumni Magazine. Dartmouth hired Brunello for the relaunch of their alumni magazine website after meeting with multiple agencies, word-of-mouth recommendations and experience working with top magazine brands. The new website features more than 100 years of searchable, digitally archived issues, class notes, obituaries, local and national advertising powered by Google DFP, video, and more. The site is built on a responsive framework to provide an optimal experience for users on desktop, tablet and smartphone devices.
